ESSENT-IAL COM

essēnt'ial

Essenzialità

Essent'ial è un concetto, uno stile di vita. Per vivere ogni giorno con rispetto verso le persone, la bellezza, la cultura e la natura. Per coglierne l'essenza.

Sostenibilità

Oggetti realizzati con materie prime riciclate e certificate. Profondo rispetto per l'ambiente, il territorio e la nostra cultura.

Genuinità

Progettare oggetti da usare ogni giorno. All'apparenza sembra carta senza forma, in realtà sono prodotti resistenti, lavabili e bellissimi!

Bellezza

Forme pulite ed essenziali prendono vita dalla matericità: la bellezza della semplicità.

Essentiality

Essent'ial is a concept, a lifestyle. A way of living every day with due respect for people, beauty, culture and nature. Of appreciating their inner essence.

Sustainability

Objects made from recycled, certified raw materials. Profound respect for the environment, the countryside and our culture.

Genuineness

Designing objects for everyday use. Apparently shapeless paper, but actually tough, washable, very attractive products.

Beauty

Simple, essential forms, given life through the tactile appeal of substance: the beauty of simplicity.

Che dire: e' lei la vera star. Una forma semplice ma completa, morbida ed allo stesso tempo risvoltandola diventa rigida. Contenitori dai più svariati materiali, dalla carta non lavabile alla fibra di cellulosa lavabile.

Da riempire con ciò che vuoi e quando non servono più li pieghi e li riponi. I sacchi neutri sono disponibili nella versione food, antiunto e idrorepellente.

What to say: this is the real star. A simple shape but complete, soft and at the same time folding it, becomes stark and strong. Baskets made in different materials, from non-washable paper to washable cellulosa fibre.

They can be filled with whatever you want when they do not need anymore, they can be folded and put aside. The natural sacks are available in the food-safe version: water and oil resistant.

Origini

Essent'ial nasce nel 2006 ed è prodotto e distribuito da A.G.C., società che dal 1999, come tipolitografia, fonda la propria capacità creativa e innovativa nel mondo della stampa di supporti estremi come tele e materiali non convenzionali. In linea con la propria educazione, sostiene i temi della tutela ambientale portandoli concretamente nella pratica produttiva quotidiana.

Eco sostenibilità

A.G.C. prosegue in questa direzione apportando ulteriori migliorie gestionali quali: l'analisi dei consumi, il riciclo dei materiali d'imballaggio, la riduzione dei carichi energetici, l'utilizzo controllato di solventi, inchiostri e materie prime, insieme all'attenta selezione dei fornitori e l'uso di carte e fibre rigorosamente ecologiche, certificate FSC. Tale comportamento sostenibile e responsabile ha consentito ad A.G.C. di ottenere il merita-

to premio per la Responsabilità Sociale d'Impresa nell'anno 2007 e nell'anno 2009 con il progetto Essent'ial, per aver saputo mettere a punto un progetto per il recupero delle materie prime inutilizzate da una parte e che allo stesso tempo ha creato impiego per le persone. L'azienda è stata tra le prime realtà imprenditoriali che hanno fatto parte del Club delle Imprese Modenesi per la Responsabilità Sociale. In questi anni è stata infatti

definita con tanti aggettivi, tra cui eco design ed eco chic, grazie alla sua costante attenzione al mondo eco sostenibile, con l'utilizzo di materie riciclate o riciclabili.

Origins

Essent'ial was born in 2006 and is produced and distributed by A.G.C., a company founded in 1999 as an offset printing concern, which concentrates its flair for innovation and creation in the area of printing on extreme substrates such as canvas and unconventional materials. In line with its background, it brings its concern for environmental protection directly to bear in its daily production practices.

Eco sustainability

A.G.C. continues its commitment to these principles with further improvement to its management practices, including consumption monitoring, the recycling of packaging materials, energy load reduction, controlled use of solvents, inks and raw materials, and the careful selection of suppliers and the use of strictly environment-friendly papers and fibres with FSC certification. These sustainable, responsible

practices enabled A.G.C. to win the well-earned Corporate Social Responsibility Award in 2007 and 2009 with the Essent'ial project, for its success in running a project to recycle waste raw materials on the one hand while at the same time creating jobs. The company was a founder member of the Modena Socially Responsible Business Club. During the last few years, the product has been descri-

bed with many adjectives, including ecodesign, eco-chic, thanks to its constant focus on eco-sustainability, with the use of recycled or recyclable materials.
