LIVING

* fold your bag on the outer edges and shape it so that it is right.

* your essential bag is washable, is unaffected by moisture and is made with sustainable materials.

...strong and durable...

...and when you're tired you can bend, stretch and put in the drawer of your closet.

I SACCHI

Che dire: e' lei la vera star. Una forma semplice ma completa, morbida ed allo stesso tempo risvoltandola diventa rigida. Contenitori dai più svariati materiali, dalla carta non lavabile alla fibra di cellulosa lavabile. Da riempire con ciò che vuoi e quando non servono più li pieghi e li riponi. I sacchi neutri sono disponibili nella versione food, antiunto e idrorepellente.

SACKS

What to say: this is the real star. A simple shape but complete, soft and at the same time folding it, becomes stark and strong. Baskets made in different materials, from non-washable paper to washable cellulosa fibre. They can be filled with whatever you want when they do not need anymore, they can be folded and put aside. The natural sacks are available in the foodsafe version: water and oil resistant.

I MANICI

La linea manici è creata per prendersi cura di te e delle tue cose. Per custodire i tuoi oggetti più cari e delicati. Per mettere ordine nei tuoi spazi più intimi. Non solo negli armadi, ma questi prodotti possono essere inseriti in ogni ambiente grazie alla loro semplice eleganza. I contenitori che completano la linea si possono chiudere con coperchio e sono impilabili. Porta biancheria e scatole per armadio realizzati in fibra di cellulosa spessa, lavabili in lavatrice; quando non li usi, li smonti e li ripieghi, riponendoli in poco spazio.

HANDLES

LE SEDUTE

L'idea nasce dal riciclo dei materiali...ecopoltrona, ecopuffo ed ecopanca per il tuo relax, disponibili in vari materiali: dalla carta (non lavabile) certificata FSC, alle versioni soft touch con superficie lavabile, fino alle versioni in cellulosa lavabile e alle vele riutilizzate. Nasce il primo cuscino interamente lavabile, imbottito con perle di polistirene, nei quattro colori classici.

Tra le sedute spicca il nuovo pouf "Dado, la fortuna vien giocando". La seduta è in tyvek e la parte esterna è lavabile in lavatrice. La stampa sulla superficie richiama proprio le facce del dado da gioco.

ECOCHAIR

The idea borns from the recycling of the materials...Ecochair, ecopouf and ecobench for your relax, available in several materials: from paper (not washable) FSC certified, soft touch washable surface version, to the washable cellulose fiber and the reused old sails.

Birth of the first fully washable cushion, stuffed with polystyrene balls, available in havana, white, black and grey. The new pouf "dado, la fortuna vine giocando" stands up on the sitting collection. The sitting is made of Tyvek, the external cover is washable in washing machine. The print on the surface call to mind the die.
