Che dire: è lei la vera star. Una forma semplice ma completa, morbida ed allo stesso tempo risvoltandola diventa rigida. Contenitori dai più svariati materiali, dalla carta non lavabile alla fibra di cellulosa lavabile.

Da riempire con ciò che vuoi e quando non servono più li pieghi e li riponi. I sacchi neutri sono disponibili nella versione food, antiunto e idrorepellente.

What to say: this is the real star. A simple shape but complete, soft and at the same time folding it, becomes stark and strong. Baskets made in different materials, from non-washable paper to washable cellulosa fibre.

They can be filled with whatever you want when they do not need anymore, they can be folded and put aside. The natural sacks are available in the food-safe version: water and oil resistant.
